TO: Honorable Edmund Edelman
Chairman, Los Angeles County Board of Supervisors

FROM: Allard K. Lowenstein

I am transmitting herewith, as requested, a list of corrections to the report submitted by special counsel Thomas Kranz about his investigation into the assassination of Senator Robert Kennedy, and a list of proposed questions dealing with the same matter.

These documents are largely the work of Mr. Gregory Stone who has spent a great deal of time without compensation studying this material and attempting to make sense of the evidence as it now stands.

Please do not hesitate to get in touch with Mr. Stone or me if there should be anything further we can do that might be useful.
